JANUARY – JUNE 2023  
VOLUME V ISSUE II

The newly renovated  
Pepsi Dining Centre  
at LUMS

The LUMS foundation was laid over 37 years ago and marked the beginning of a transformative journey for the talented youth of the region. Thanks to supporters like you who share our vision, our institution has excelled and been recognised as the 44<sup>th</sup> best small university in the world by Times Higher Education. We have profound gratitude for your pivotal role in upholding and advancing the LUMS mission.

Over the years, we have proudly distributed billions in financial aid through your support. This has helped students from over 147 cities, towns, and villages across the country to receive world-class education at the University. Armed with the knowledge and skills to make a lasting impact, they return to their communities as catalysts for positive change.

As we reflect on our achievements, we recognise that there's a lot more to be done. We invite you to continue supporting our wide range of scholarship programmes, cutting-edge research and other development initiatives that are crucial to helping our students address the challenges faced by the country and the region. Your continued commitment will ensure that LUMS' impact resonates for generations to come.

Thank you for being an integral part of our journey.

# PepsiCo Funds Redesign and Renovation of the Campus Dining Area

The refurbished facility now serves various food options and accommodates at least 660 students at a time, a 37.5% increase in capacity.

The redesign and renovation of the Pepsi Dining Centre (PDC) at LUMS has been generously funded by PepsiCo.

The project aimed to create international standard recreational spaces to comfortably accommodate the University's growing population and facilitate

learning and meaningful engagement within the LUMS community.

Inaugurated in 1995, the PDC was later extended in 2000 and renovated again in 2006-08 through PepsiCo's support, increasing its capacity to 480 students. Between 2016 and 2020, PepsiCo also

contributed to modernising the kitchen equipment.

We are very grateful to our alumni, Mr. Furqan Syed (MBA 1995), CEO, PepsiCo. Pakistan, and Mr. Saad Munawar Khan (BSc 2003 and MBA 2006), for their support in making this happen.

This agreement was formalised at an MoU signing ceremony held at the University between the former Vice Chancellor, Dr. Arshad Ahmad, and Mr. Abdul Latif, CEO of Lotte Akhtar Beverages Pvt. Ltd., the execution arm for the initiative. Mr. Khurram Shahzad, CFO of PepsiCo, also attended the event.

# Key Partnerships

## Fatima Group

The conglomerate has been a generous partner of LUMS since 2011 and has supported the cause of making higher education inclusive. At an MoU signing ceremony, Mr. Fawad Ahmed Mukhtar, CEO and Director, Fatima Group, reaffirmed his support to the University by sponsoring the undergraduate studies of NOP students at LUMS.

Members of the LUMS senior leadership were present at the MoU signing ceremony including Mr. Shahid Hussain, Rector; Mr. Osman Khalid Waheed, Member, Board of Trustees; Dr. Arshad Ahmad, Vice Chancellor; Dr. Tariq

Jadoon, Provost, and Ms. Nuzhat Kamran, Director, Office of Advancement. Representing Fatima Group were Directors, Mr. Ali Mukhtar, Ms. Sadia Irfan, Mr. Fazal Sheikh, Mr. Fahd Mukhtar, and Mr. Abbas Mukhtar, as well as Mr. Abad Khan, Advisor to the CEO.

Mr. Hussain commended Fatima Group for their consistent support through the years for the NOP which has allowed LUMS to reach talented students in over 145 cities across the country. "The outreach for the NOP is very rigorous. Our team goes to different cities, conducts open days, introductory sessions,

and connects with different schools and students to spread awareness about LUMS and the scholarship programme."

Fatima Group was established in 1936 and is currently engaged in the trading of commodities, manufacturing of fertilisers, textiles, sugar, mining, and energy. Under its community-building initiative, the organisation runs sponsorship programmes through NGOs, charitable organisations, and welfare institutions. Fatima Group has previously funded LUMS students and also donated towards the Makers Lab at the National Incubation Centre Lahore.

## Mr. Zain Jeewanjee

Mr. Zain Jeewanjee, Board Member, Friends of LUMS, USA, and CEO & Founder, Zain Jeewanjee Insurance Agency, has generously donated to the National Outreach Programme (NOP) at LUMS.

Mr. Jeewanjee is a seasoned entrepreneur and pioneer in Insuretech. Currently serving as the Founder & CEO of Insure123.com, he is actively involved in mentoring and advising startups and entrepreneurs in Silicon Valley. He sits on the advisory boards of several companies, including the Rand Corp's Center for Asia Pacific Policy.

## Pakistan State Oil Company Limited (PSO) CSR Trust

Pakistan State Oil has pledged to continue its support for the university's signature scholarship initiative, the National Outreach Programme

LUMS senior leadership met with Chairperson, Pakistan State Oil Company Limited (PSO) CSR Trust, Brig. (Retd.) Rizwan Ahmad at PSO House,

Karachi. In continuation of its long-standing partnership with LUMS, Pakistan State Oil has pledged to continue its support for the National

Outreach Programme. LUMS is immensely grateful to PSO for its unwavering commitment to educating Pakistan's youth.

## Punjab Educational Endowment Fund (PEEF)

PEEF, an initiative of the Government of Punjab, is committed to providing equal educational opportunities to the less privileged and talented youth of Punjab, and has been an integral supporter of the NOP since 2008.

Members of PEEF's senior leadership team visited LUMS to conduct an interactive session with the beneficiaries of the PEEF scholarship programme. The monitoring team from PEEF, led by Mr. Muzaffar UI Haq Hashmi, CEO,

included Mr. Naveed Akbar Cheema, Senior Manager Scholarship; Mr. Usman Zaffar, Assistant Manager Verification and Disbursement, and Mr. Usman Islam, Officer Verification and Disbursement.

## Babar Ali Foundation

Syed Babar Ali with guests and the LUMS team at the launch of LUMSx

The Babar Ali Foundation has pledged to support LUMSx, the university's online learning platform. LUMSx is offering a rich set of diverse courses across various disciplines, making education accessible across socio-economic and geographic barriers. Through LUMSx, the University will broaden its reach to provide high-quality education.

At the launch of LUMSx Founding Pro Chancellor, Syed Babar Ali commended the efforts of the University to

launch the initiative. He said, "This platform offers the LUMS community an opportunity to learn beyond the classroom, reaffirming LUMS' goal to not only serve its students but also to reach a much wider audience across Pakistan and beyond."

Among the rich selection of courses, ranging from Pashto and Farsi language lessons to data analytics and neuroscience, as well as health and wellness, LUMSx seeks to enhance the quality of online

education by conducting research on online learning and teaching behaviours. One of LUMSx's pioneering projects was the development of an Urdu translation of Dr. Barbara Oakley's renowned course, 'Learning How to Learn', which teaches students effective learning strategies.

The event highlighted the collaboration with Arbisoft as well as LUMSx's work with centres like Continuing Education Studies and the LUMS Learning Institute.

## HBL Foundation

HBL Foundation has partnered with LUMS to support NOP scholars as well as provide financial assistance to talented students pursuing their MBA at LUMS. Through their

unwavering commitment, the Foundation will enable deserving individuals to access quality education and realise their professional goals. HBL Foundation's support will

make a lasting impact on the lives of students, empowering them to become future leaders and changemakers in their respective fields.

## Abdullah Foundation

At an MoU signing, the Foundation committed to sponsoring financial aid scholars at LUMS

This partnership was formalised between Dr. Arshad Ahmad and Mr. Mian Mohammad Abdullah, Chairman, Sapphire Group.

As the philanthropic arm of the Sapphire Group, the Foundation supports education and health initiatives, uplifting the underprivileged, and promoting equal access to essential services. The Sapphire Group has been a leading partner with LUMS in providing financial assistance to deserving students for more than a decade. In 2010, the firm created an

endowment to support NOP scholars at LUMS and in 2013, it contributed towards the establishment of the Shaikh Ahmad Hassan School of Law.

Present at the ceremony were Mr. Shahid Abdullah, CEO, Sapphire Fibers Ltd.; Mr. Amer Abdullah, CEO, Sapphire Dairies (Pvt.) Ltd.; Mr. Nadeem Abdullah, CEO, Sapphire Textile Mills Ltd.; Mr. Yousuf Abdullah, CEO, Sapphire Finishing Mills Ltd., and Ms. Ayesha Abdullah, Director, Abdullah Foundation.

At the ceremony, Mr. Abdullah shared, "The Abdullah Foundation stepped into philanthropic activities with an aim to invest in the community. Last year we decided that going further, we would utilise most of our funds to educate students at some of the top institutions across Pakistan because we believe that education should be a basic human right."

### Dr. Khalid Aziz

Advisory Board Member, LUMS and the Otto N. Miller Professor Emeritus of Energy Resources Engineering, Stanford University

"During these past 18 years, I have observed the efforts of faculty and administrators including the Management Committee in making LUMS a university that can become a source of pride for all Pakistanis. My wife, Mussarrat and I are fortunate to be able to support LUMS in a small way in its journey to becoming an internationally admired university."

Dr. Khalid Aziz and Mrs. Mussarrat Aziz made a generous contribution towards setting up an endowment fund at the Syed Babar Ali School of Science and Engineering (SBASSE).

## Friends and Family of Uzair Tauqeer

To create a legacy in the memory of late Uzair Tauqeer, who lost his life in a tragic

car accident in 2012, his family and friends have come together to establish the 'Uzair

Tauqeer Scholarship Fund' which has supported several NOP scholars to date.

## Fast Cables Limited

Since 2016, Fast Cables Limited has been a dedicated supporter of LUMS' National Outreach Programme (NOP), significantly contributing to the educational advancement of deserving students. Their financial assistance has been vital in helping talented students from varied backgrounds pursue their academic aspirations and access higher education.

The discussion with Fast Cables focused on global and industry-specific challenges

A delegation from LUMS including Dr. Muhammad Abubakr, Executive Director, Centre for Water Informatics and Technology, and Ms. Nuzhat Kamran, Director,

Office of Advancement, met with Ms. Saima Mian and Mr. Kamal Mian, Directors, Fast Cables. The discussion focused on ways to address global and industry-specific challenges

such as water conservation and regenerative agricultural practices by leveraging the collective expertise of both organisations.

## Mitsubishi Corporation

Mitsubishi Corporation and LUMS have established a strong partnership since 2006. Initially, the organisation funded a semester exchange programme between LUMS and Waseda University, Japan. Mitsubishi Corporation launched the International Scholarship Program in 2015-16 to support undergraduate students at LUMS. Till now, numerous talented students

have been supported through this scheme. The organisation has also donated to the National Management Foundation to establish a named endowed chair at the University. The Chair supports research and development in the fields of renewable energy, material sciences, nanotechnology, biosensors, telecommunications, robotics and power systems.

In 2018-19, the company sponsored a project by Dr. Suleman Shahid, Assistant Professor at the Syed Babar Ali School of Science and Engineering, which aimed to provide early diagnosis and rehabilitation for children with attention deficit hyperactivity disorder and autism, through the use of assistive technologies.

## NED Alumni Association

A scholarship has been set up at LUMS by the graduates of NED University of Engineering and Technology. This scholarship will be available for students who have completed their undergraduate degree

from NED University, have qualified for an interest-free loan under the LUMS Financial Aid Programme and have received an offer of admission for the MBA programme at the Suleman Dawood School

of Business. Mr. Nasir Hussain, Vice President, NED Alumni Association of Houston has led the establishment of the scholarship.

## Bata Pakistan

Bata Pakistan has demonstrated its commitment to inclusive education by empowering talented scholars at LUMS. Through its generous

support, Bata Pakistan has played a crucial role in enabling deserving scholars to access quality education and pursue their academic dreams. Their

partnership with LUMS reflects their belief in the power of education to transform lives and create a brighter future.

## Convergent Business Technologies

Convergent Business Technologies has been a dedicated partner of the NOP at LUMS, showcasing its steadfast dedication to empowering exceptional students. Through their generous contributions, the company has played a crucial role in providing

deserving students with the opportunity to receive a quality education. Their unwavering support has been instrumental in helping talented individuals access the resources and support they need to succeed.

**Mr. Masood Siddiqui**

Former MD/CEO of Oil and Gas Development Company Limited

“LUMS fulfils my desire to contribute to higher education through a clear and transparent mechanism, allowing me to donate confidently. I constantly receive updates from LUMS on how my contributions are utilised, which gives me a warm, comforting feeling that the funds are being used appropriately. Keep up the good work, LUMS team; you are steadily transforming Pakistan for a better tomorrow!”

Mr. Siddiqui has made a substantial contribution towards the NOP to support the education of talented students at LUMS. He believes that the systems at LUMS ensure that funds are disbursed to disadvantaged yet talented students across Pakistan.

# USAID Merit and Needs-Based Scholarship Program and Higher Education Commission

Ms. Anne Flaker with LUMS students who have benefited from USAID scholarships

USAID and the Higher Education Commission (HEC), Pakistan have been partners in promoting educational opportunities for female undergraduate and Masters' students at LUMS through their provision of valuable financial

assistance since 2004. The Merit and Needs-Based Scholarship Program (MNBSB), in partnership with HEC, helps talented yet financially disadvantaged young Pakistani scholars pursue education at the

country's top universities. LUMS is one of their partner institutions and many students at LUMS have benefitted through the second phase of this scheme.

**Mr. Shahid Kazi**  
CEO, ValuStrat

“So many talented youngsters in our country are unable to pursue higher education because of financial constraints. The NOP is a great initiative that gives able students who would otherwise not have access, a chance to study at a world-class institution like LUMS, while adding diversity to the college student body. In a country suffering from poverty but rich in talent and ability, the NOP deserves as much support as possible.”

Mr. Shahid Kazi and family has donated towards the National Outreach Programme. He believes that supporting capable students in their college education is one of the best forms of philanthropy.

## DWP Foundation

A steadfast supporter of the NOP, DWP Foundation has been providing financial assistance to deserving students at LUMS since 2017. Through their generous contributions, the DWP Foundation has played a vital role in creating equal opportunities for talented individuals, ensuring that financial constraints do not hinder their pursuit of higher education.

Mr. Farooq Naseem, Chairman & CEO at DWP

## Defence Housing Authority (DHA), Lahore

DHA, Lahore's generous donation will support NOP scholars at LUMS

The partnership between DHA, Lahore and LUMS was formalised at a MoU signing ceremony held between Dr. Arshad Ahmad, and Brig. Waheed Gull Satti, SI (M), Administrator, DHA. This collaboration marks a generous pledge of support from DHA towards the NOP.

Attendees at the ceremony included Col. (Rtd.) Muhammad Iqbal, Secretary DHA; Brig. (Rtd.) Manzar Bashir, Director HR; Col. (Rtd.) Syed Muhammad Tehseen Yazdani, Director HR (A); Lt. Col. (Rtd.) # Give a Day to LUMS

This year's Give a Day to LUMS campaign was launched in March 2023 to support the University's cause of providing inclusive, accessible education to talented students across the country.

In 2023,  
**200 donors** have helped raise **PKR 33 million**  
 to generously fund **33 students**.

At LUMS, we believe in the power of education to transform lives and shape the future. We invite you to be a part of this transformative journey. Here are some of the ways in which you can support us.

### **Empowering the Next Generation: Student Scholarships**

One of our primary goals is to ensure that talented and deserving students, regardless of financial means, have the opportunity to study at LUMS. Your contribution towards student scholarships will directly impact the lives of these individuals, providing them with a foundation for success and a chance to make their mark on the world.

### **Pioneering Research that Changes Lives**

LUMS is at the forefront of groundbreaking research. From cutting-edge advancements in technology to life-saving medical breakthroughs, our institution has a proud tradition of pushing the boundaries of knowledge. By supporting research initiatives, you play a vital role in fuelling innovation and driving progress that has a tangible and far-reaching impact.

### **Building for the Future: Infrastructure Development**

The physical spaces within which learning, research, and collaboration occur are the foundation of any great institution. Your generous contribution towards infrastructure development at LUMS will not only enhance the quality of education and research facilities, but also create an environment that fosters creativity, critical thinking, and collaboration. Moreover, there is a unique opportunity for you to leave a lasting legacy by naming select spaces on our campus, both indoor and outdoor.

### **Every Contribution Matters**

Every donation, regardless of size, makes a significant difference. Together, we can create a ripple effect of positive change that resonates far beyond our walls and empowers future generations of students and researchers.

# MAKE A **DONATION**

Donating towards LUMS Financial Aid and the National Outreach Programme (NOP) will help Pakistan's most talented students bring their dreams to life. You can choose to donate once annually or create a named endowment that can provide financial assistance to many students over the fund's lifetime.

Donations will go towards awarding scholarships disbursed through various means. The NOP scholarship consists of a complete tuition fee waiver and additional stipends for hostel accommodation, reading materials, and a living allowance. Graduate programme scholarships are awarded as interest-free loans, and undergraduate programme financial aid scholars receive a combination of up to 70% support, including waivers and interest-free loans.

Admission to all programmes is purely on merit and independent of students' ability to pay the fees. Each academic year, all aid is reassessed based on performance, financial need, available resources, and general university policies. Students are required to start paying their LUMS interest-free loans six months after graduation, completing all payments within three to five years.
